

CHANGE IN FILE STATUS
APPROVAL FORM

DATE October 13, 1987

CURRENT FILE NO. DOE/017/002 ⁰⁰⁴

RECOMMENDED FILE NO. Closed

COMPANY AND MINE NAME Paul Alexander, New Mockingbird #1

REASON FOR CHANGE IN FILE STATUS

In 1977, Paul Alexander submitted a Declaration of Exemption to drill 30-foot-deep, 2.5-inch holes on a series of claims. In his letter he said that he would reclaim the surface area in a manner acceptable to the landowner. The claims are located in an area heavily impacted by small uranium mining. It would be a useless gesture to try to locate the holes at this late date.

REQUESTORS NAME Frank Filas
